Takeout Heating Instructions

Appetizer Trays should be refrigerated until serving.

Second Course . . . Soup

Container is microwave safe—loosen lid, set on high heat for 1-3 minutes—testing for your desired temperature.

Add a Course or make it your meal . . . Pasta

The pasta container is oven-safe, heat at 300°F for 20-30 minutes. If microwave heating is preferred, pasta must be changed to a microwave safe container—heat on high approximately 5-minutes or until desired temperature is reached.

Entrée Selections

Baked Ham, Roast Turkey and Stroudsmoor's Signature Sausage Stuffing

Preheat conventional oven to 300°F. Place aluminum foil container in oven. **Reheat** at 300°F for 45 minutes or until desired temperature is reached. Place heated food on table safe plate before serving.

Side Dishes . . . Presented family-style

Garden Salad keep refrigerated until service —Dinner Rolls may remain at room-temperature

Vegetable Medley and Gravy will be in microwave safe containers—heat in microwave on high between 3-6-minutes, checking until desired temperature is reached. Be sure to loosen cover when heating.

We highly recommend using a food-safe thermometer to determine the proper heating of your meal. Thermometer should read between 140 and 160 degrees depending on level of heat preferred. Do not over heat as food will lose quality and taste with excessive heating..

These instructions—especially length of time in oven—may vary due to the differences in the type of oven used and its temperature controls.

Signature Side Dishes . . .

Additional information . . .

Sweet Potato Cobbler—Meatballs & Sausage in Sauce

Preheat conventional oven to 300°F. Place aluminum foil container in oven. **Reheat** at 300°F for 15-20 minutes or until desired temperature is reached. Place heated food on table safe plate before serving.
